Hi all -

Slightly revised agenda is attached.

Item II.b. can possibly be dealt with in advance - Laura Kennedy asked if there was an Attachment 1 that was supposed to go along with the comments, as such attachment is referenced in comment 253, (attachment 1 - alternative flowcharts for SW and TZW).

cheers
valerie

This communication is made under the framework of the LWG Participation Agreement and in the parties' common interests in meeting LWG member obligations under the Administrative Order on Consent and in anticipation of litigation concerning liability for the Portland Harbor Superfund site. This communication is intended and believed by the parties to be part of an ongoing and joint effort to develop and maintain a common legal strategy and contains strategies, work product and legal advice within the "common interest" extension of the attorney-client privilege and the work product doctrine. This communication may include attorney-client communications. With respect to communications by private LWG members to public members, those communications are with the expectation that they will be kept confidential by the public entities.
